Mariemont Junior Selected For Spirit of America Youth Conference

Max Budig, a junior at Mariemont High School, was selected to attend the 3-day “Spirit of America Youth Conference” in Valley Forge, PA, April 24-26, 2008.

The Greater Cincinnati Chapter of the Freedoms Foundation at Valley Forge raises the money to support area students to attend this youth conference. The program events include a freedom summit (lectures and discussions on democracy, citizenship, the Constitution, current events), a free enterprise simulation, mock trial, tours of Philadelphia and Valley Forge National Historic Park, leadership carnival and social activities.

“Faculty” for the conference included experts from universities in the fields of government, constitutional law and United States history.

Budig was selected by his teachers, counselors, and administrators, then wrote an essay to be selected by the Cincinnati chapter for the scholarship to attend. He is the son of Holly Walsh of Mariemont and David Budig of Mariemont.
