Celebrate Holiday Fair 2008 at Mariemont High School

Mariemont High School's annual Holiday Fair will take place on Friday, December 5 from 5:00 to 8:00 p.m. in the Mariemont High School gym. The festive, community-wide event is student run and benefits participating student clubs, teams and organizations.

Student representatives from twenty-five MHS organizations started planning in October for the festive event. In 2007, the Holiday Fair fun raised nearly \$9000.00 to support their group's activities and philanthropies.

Holiday Fair 2008 activities will include popular games of skill and chance, treats, decor/jewelry sales, sportswear, silent auction and more. As always, the Art Club will sell its one-of-a-kind creations including painted home accessories and furniture. Kids will be able to test their skills at sports challenges with Mariemont Warrior athletes. Favorite carnival games, bingo, cake walk and fish pond will all be returning. From preschoolers through adults, Holiday Fair offers a great evening for the whole community.

Along with the traditional MHS PTO spaghetti/pizza dinner, Holiday Fair 2008 will be serving up The National Exemplar's recipe for their delicious, warming gumbo soup.
