Mariemont Athletic Director Named SW District AD of the Year

On April 26, the South Western Ohio Athletic Directors Association named Tom Nerl, Athletic Director at Mariemont High School, as 2010 SWOADA Athletic Director of the Year. This award is presented each year to an individual who exemplifies the highest standards of their profession and who, through their influence on the lives of young people under their direction, has made significant contributions to their school and community.

Every year the SWOADA recognizes individuals within the Association for their dedication to the student/athletes, schools, and communities they serve. The awards are announced annually as part of the spring meeting.

Nerl, along with other district honorees, will represent the South West District at the Ohio Interscholastic Athletic Administrators Association conference in Columbus in October. He is now a nominee for the State Athletic Director of the Year to be announced at that conference.
