

Mariemont City School District Individual Professional Development Plan

Name _____

Building: _____

Current Assignment: _____

Date IPDP Plan Submitted to LPDC: _____

Certificate Number	Certificate Type	Certificate Area	Expiration Date

Criteria for IPDP Approval

The IPDP goals must be tied to the goals of the Mariemont School District, the building to which the educator is assigned, the needs of the students, and the personal goals of the educator. The Coursework and/or Alternative Activities must be consistent with your professional goals. Professional Activities must be research-based and/or proven in practice. The criteria for professional activities must be relevant to the work assignment and compatible with other practices that are currently or will be in use. The Professional Development Activities **must** be related to student learning.
