FACILITY ADVISORY PANEL SUMMARY

General Issues

- Mariemont is a distinguished planned community
- Look at each building separately
- National Historic Landmarks
- Buildings have served generations of residents
- Challenge; using the buildings we have to maximize educational efforts
- Have to have a junior high school
- What does the district own at each building?
- Community perception; very inefficient heating systems, buildings “not up to snuff”
- Community schools are important; A school presence in each community (not necessarily an elementary school)
- People value their kids walking home for lunch & to and from school
- Hold building tours
- Include student feedback
