SUMMER YOUTH SPORTS CAMPS

The Mariemont High School Athletic Department is proud to present the lineup of 2017 Summer Sports Camps. Children in grades 2-8 of the current school year can now learn to play the Warrior Way, learning the skills and drills for the sports you love and the sports you want to learn. Every camp features instruction from the Mariemont High School coaching staff and Mariemont High School athletes! Each camp features four days of instruction, drills, and games to help you improve your game. All camps take place on the campus of Mariemont High School, on our state-of-the-art artificial turf or in our gymnasiums with the state-of-the-art Robbins flooring system. Each camp includes a camp gift.

Registration is $60 for Mariemont School District residents and $70 for non-residents. Please be sure to register by Saturday, June 3rd!
