

REMOTE LEARNING PROGRAM

The Mariemont City School District Remote Learning Program is designed to provide continuity of instruction and learning in a flexible format to accommodate the diverse needs and schedules of our students and families during the extended closure of our school buildings.

How to Access the Remote Learning Program

1. Go to www.mariemontschools.org.
2. Click on [Coronavirus Updates](#) at the top of the homepage.
3. Click on the [Remote Learning Program](#).
4. Select the appropriate grade level link to access folders for specific subjects and teachers.

The Remote Learning Program Schedule

Students can complete lessons on each day at their own pace and on their own timeline. There is not a set “bell schedule” that students need to follow. However, all instructional activities should be completed by 11:59 p.m. on each day. Assignments for all courses will be due each week and should be submitted by Friday at 11:59 p.m. unless communicated otherwise by the teacher.

*If you would like to request your student receives their district iPad please visit the coronavirus update page.

You can expect your child to have live video conferencing sessions with his/her teacher individually, in a small group, or with their full class throughout the 4th quarter.
