Mariemont RESTART “What If?”

What do I do if my student is ill and unable to participate?

- **In Person Day:** Contact the school office of the building your student attends. Please be sure to include any symptoms your student has/reason for absence. Your student will be marked absent.
- **3-12 Tier 2 Remote Day:** Contact the school office of the building your student attends. Please be sure to include any symptoms your student has/reason for absence. Your student will be marked absent.
- **Online Warrior:** Contact the school office of the building your student would attend in-person. Please be sure to include any symptoms your student has/reason for absence. Your student will be marked absent.

What do I do if my student is ill and able to participate?

- **In Person Day:** Contact the school office of the building your student attends. Please be sure to include any symptoms your student has/reason for absence. Let the office know that your student will be live streaming class that day. Be sure your student is logged into Zoom at the appropriate times throughout the day. Your student will not be marked absent.
- **3-12 Tier 2 Remote Day:** Participate in learning as usual.
- **Online Warrior:** Participate in learning as usual.

What do I do if my student has a doctor appointment or needs to leave early or come late?

- **In Person Day:** Contact the school office of the building your student attends. Please submit documentation for the late arrival or early dismissal.
- **3-12 Tier 2 Remote Day:** If the leave time does not interfere with your student’s live streaming times, participate in learning as usual. If the leave time does interfere with your student’s live-streaming times, contact the school office of the building your student attends. Please submit documentation for the late arrival or early dismissal.
- **Online Warrior:** If the leave time does not interfere with your student’s live streaming times, participate in learning as usual. If the leave time does interfere with your student’s live-streaming times, contact the school office of the building your student attends. Please submit documentation for the late arrival or early dismissal.

What do I do if my student is quarantined? **Quarantined means your student either came in contact with a positive COVID-19 case or is waiting on COVID-19 test results. *IF A STUDENT IS TESTED, HE/SHE MUST QUARANTINE UNTIL THE TEST RESULT IS CONFIRMED. THIS IS TRUE EVEN IF THE STUDENT HAS NO SYMPTOMS.**

- **In Person:** Contact Brent Wise, the district COVID-19 Incident Commander at bwise@mariemontschools.org or 513.272.7500. Mr. Wise will contact the student’s school nurse and the Hamilton County Department of Health. The school administrator will let you know how long your student will need to remain in quarantine. Your student can participate in learning remotely until the quarantine ends. Your K-2 student can complete asynchronous activities provided by teachers if it is a special day and can participate remotely on a homeroom day.
- **Tier 2 Remote Day:** Contact Brent Wise, the district COVID-19 Incident Commander at bwise@mariemontschools.org or 513.272.7500.
