If the statement indicates that the taxpayer was charged with any such taxes, a copy of the statement shall be transmitted by the fiscal officer to the County Treasurer within thirty days of date it is submitted. A copy of the statement shall also be incorporated into the contract, and no payment shall be made with respect to any contract to which this section applies unless such statement has been so incorporated as a part thereof.

.4 A Contract shall be considered as awarded when the bidder receives a letter of intent to enter into a Contract from an agent or officer of the Owner authorized to give such notice.

- .2 The bidders who become the Contractors, who submitted as a Bid Security, a certified check, cashier's check, or letter of credit, shall be required to provide a Performance Bond and Labor and Materials Payment Bond, covering the faithful performance of the contract and the payment of obligations arising thereunder in a penal sum equal to 100 percent of the amount of the contract sum. In the event of a default, the Owner shall have the right to declare the amount of the bid security forfeited. It shall be a further condition that the Owner shall not collect more on a defaulted bid than the difference between the defaulted bid amount and the bid of the firm to which the award is made, after giving due weight and consideration to alternatives accepted.
- .3 In the event the bidder withdraws the bid or fails to execute a satisfactory Contract and furnish a satisfactory Contract Performance Bond and Labor and Material Payment Bond with a surety company in accordance with these Instructions To Bidders within 5 days after a contract has been awarded to such a bidder by the Owner, said Owner may declare such certified or cashier's check or bid bond forfeited to the Owner for extra costs incurred by reason of delay of the project and obtaining acceptable prices from another bidder.

The Owner cannot guarantee the confidentiality of statements, financial records, or business records that are submitted by a firm to the Owner. The Owner may be required to make such records publicly available. The law does provide for certain exemptions from disclosure requirements, including an exemption for confidential proprietary information and for bid submissions prior to acceptance. While this exemption may not always include a firm's financial and business records, we ask that you clearly stamp "Confidential and Proprietary Information" upon each page of each financial and/or business record that you believe to be confidential information. Such a stamp does not guarantee that your documents will be exempt from disclosure requirements, but will assist the Owner in responding to any public records requests.

- .1 The Owner is a political subdivision of the State of Ohio. Building materials that the successful bidder purchases for incorporation into the Project will be exempt from state sales and use taxes if the successful bidder provides a properly completed sales tax exemption certificate, executed by the successful bidder and
