COMMUNITY SERVICE

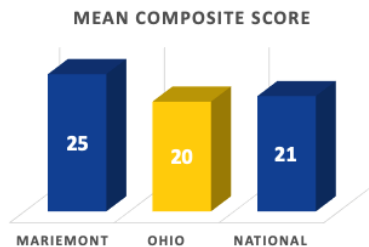

Listed on the transcript as a course in progress, the 40-hour requirement becomes "P" once completed.

The Mariemont City School District serves over 1,700 students in a suburb east of Cincinnati as a public school district. The community includes a cross section of all socioeconomic levels and attained educational levels with the priority of educating our students and preparing them for post-secondary education. Our district focuses on a strong academic program while encouraging experiential learning for students through innovative master classes and a four-day intersession. Students are supported as they research their individual interests. Disciplinary matters are internal school issues. Our policy is to exclude commentary on school discipline matters.

Mariemont High School has been named a **Blue Ribbon School** four times. 87% of our students participate in our 60 [clubs/activities](#). MHS complies with the NACAC'S Code of Ethics and Professional Practices. The academic year is two traditional semesters with seven 50-minute class periods beginning at 8:30 a.m. and ending at 3:25 p.m.
