

Tier 2 Schedules

- *K-2 will be in buildings each day and 3-12 will be working from a **blue/gold hybrid schedule** in which some days will be in person and other days remote.*
- *Remote learning will require student log in at the start time of each block or bell. You may not need to be online the entire block or bell, just for the lesson.*
- *Students in quarantine during tier 2 will follow their same schedule below just remotely each day (except K-2).*
- *3-4 students will need to reference SeeSaw and email for activities, assignments and teacher communication.*
